

# HES Book Dedications

Hello! The HES Library needs help in replenishing the books that have had to be removed recently because they were out of date! HES PTA will be selling book dedications to help fill up the library shelves again. This is a cool way to celebrate a birthday, major event or accomplishment or just recognize what an amazing student you have. Here is how it works:

Your donation will purchase a book on Mrs. Drew's book list.

On this form you will provide us with the dedication that you would like to have printed in the book.

HES PTA will create a personalized label for your dedicated book.

The book will be added to the HES Library catalog for all to enjoy.

We hope that this is a unique way for you to recognize your student and create a new family tradition for years to come!

If you have any questions please contact Mrs. Drew at [cdew@wcpss.net](mailto:cdew@wcpss.net).

Thank You for all of your continued support!

HES PTA
